6. The "Shipbuilding" magazine can be bought in book and newsstands in Moscow, but also in Leningrad, Odessa, Riga and other port cities of the USSR. It would be most advisable to inquire about it in newsstands located near maritime and river fleet installations and generally in port areas. [redacted] in Moscow the journal may most expediently be found at newsstands and shops located in the area of Derszhinskaya Square, in the area of the northern, western and southern ports. In Leningrad the journal can best be obtained in the harbor newsstand located next to the Baltic State Maritime Shipping Line building ("Krasnoye Zdaniye"), which is located not far from the main harbor gates, at the streetcar stop, and also at the newsstand next to the Leningrad Shipbuilding Institute (on Lotsmanskaya Ulitsa opposite the imeni Marti shipbuilding plant. At the present time this plant no longer carries the name "imeni Marti").
